“ Todd, Devonna and Natalie, I think you Todd and Robin where about Kierstin age when we met your family in Alaska. Reading about your daughter's legacies remind me so much of yourself. I can see the hand of her grandparents in her life and the strength it has added to your family. My heart hurts for all of you . God has richly blessed you for your time with such a delightful child. To be apart from you brought her into the presence of God. May it comfort you to know that soon and very soon we will all be together again for eternity. The Eaddy family has always held a special place in our hearts. We love you and I will keep you in my prayers as you continue your journey through this life. I'm at a loss for words but I pray the Holy Spirit who was sent to us as our comforter will bring you peace and comfort. We love you.

“ I went to school with Kierstin. She died over a month ago. I think about her everyday. Her kindness spread to everyone she met. She dearly missed by not just me but everyone she knew.

“ We know Kierstin through our daughter, Connor, who went to Flower Mound Elementary and played on the Mustangs soccer team with her for years. We came to know and love the entire Eaddy family. I think all of us struggle as to why such a tragic event could happen to such a special family. However, none of us struggle as to why Kierstin was put on this earth and as to why she was placed with such a loving and perfect family. Connor said it best when she said that Kierstin was the sweetest person that she ever knew. She touched and affected all of our lives. We know that while Kierstin was here that she had the strength, knowledge and adventure that Todd provided to her. We are all in awe at how strong he has been and has done so much in this past week that none of us could ever imagine doing. She had the love, compassion, and patience that DeVonna provided to her. We can only aspire to be half the mother that she has been to her girls. She had the friendship and special sister bond with Natalie. Wherever Kierstin went, Natalie was never far behind. I saw them play together for hours and have great adventures together. Shirley and Walter were the perfect grandparents in my eyes. They were always there to support and had so many adventures with the family. I feel certain that Walter and Kierstin are together and are having the best adventures ever. The only comfort that we have is that Kierstin is in a place now that demonstrates all of the things that Kierstin knew and loved: love, compassion, generosity, and beauty. I know that all of these things are at such a higher level with God and that He will keep Kierstin safe and forever loved. I hope that the Eaddy family knows how much we love them and that we are there for them. We would be there in a minute, and we are just a call away.

“ Todd, DeVonna and Natalie, We are truly so deeply saddened by the loss of such an amazing young girl and friend to not only our daughter but to many others as well. What a beautiful legacy of love and light Kierstin has left for all those who knew her. We remember how very sweet and soft spoken she was and always so considerate of others. She smiled all the time and was so positive about life. We also remember her cute laughter and how contagious it was. You just couldn't help but laugh with her. What a sweet friend she was to Hannah. She left so many fond memories for her to enjoy. Kierstin still kept in touch with Hannah even after changing schools. Kierstin would check in on her to make sure she was o.k. because, Hannah felt so lost without her at school. Hannah would tell us it just wasn't the same anymore and how very much she missed her being there. Hannah loved going over to your house and hanging out with her and Natalie and playing with Samoa. We loved having Kierstin at our house as well. Her presence just lit up the room with God's gift of joy and laughter. It literally seemed to radiate all around her. She had the best personality and so fun to be around. We have never met such a loving and caring family as yours. Todd and DeVonna, your humble spirits, love and kindness reflects through the lives of your beautiful girls. How very special they both are. I know you are so proud of them. Kierstin is always a part of all our lives and our memories. Her love and compassion lives on. She has had so many wonderful adventures with her family and friends and now, her New Adventures are just beginning. God Bless Your Family and may His Grace, Peace, Comfort and Love go with you all in the days ahead. We love you! Al, Cindy, Hannah Richey and Family" *But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness.*" (Galatians 5:22, NIV) Kierstin truly displayed an example of all these by the life she lived here and the one she still lives in Heaven.

“ Dear Eaddy Family and Friends, I initially heard of Keirstin's passing through Shelton as my son is a student there as well. Even though he is in a different grade, we, as so many others, are just devastated for your loss. I will go so far as to say this is a loss felt by entire communities across a broad range. Her love of life and humanitarianism that many, such as myself, have become aware of through this tragedy, has cut a long, wide path that will surely serve to motivate and inspire many in their own journeys. I know it has in mine! Bless you all in your loss. Please know if I can be of assistance in any way, I would be honored to help. Shirley and Blake Moiles (8th grade Shelton)

“ Dear Todd, DeVonna, and Natalie, I am so heartbroken to learn of the loss of your precious daughter and sister. Kierstin had the kindest heart and had such a passion for learning and helping others even as an eight year old, a teacher's dream student. I will always remember her sweet, sweet smile. Your love and devotion as a family was always admired. I am praying that you will somehow gain strength, love, and support from those that have been touched by Kierstin and by you. May you feel the comfort and peace of God's arms wrapping around you.

“ Our son Matthew attends Shelton. At the 8th grade graduation I know how proud I was to see him walk across that stage. And I know how indelible the memories are for everyone that Kierstin won the Spirit of Shelton award. She was a shining example to all of us and someone that every child at Shelton can see was a true role model. Our family sends our deepest sympathy to your family. I have grieved every day this week that the world has lost someone so special.
