“ Dearest Pressler family,

We spent many many hours together at good old Oak Lawn Country Club when our parents played golf together. We were like little fish in the pool and catching little people as they bravely jumped into the pool was awesome. Kimmy was always smiling and so sweet. Awesome cheerleader too. She just had a light like no one else. She will be missed by so very many people. Hugs to you all, prayers for peace for the family.

“ *My heart is broken as this bright light is extinguished. Kim was my "Ta Ta KP Duty buddy" I always think of Kim when I see monogramed towels. There were these towels with F on one side and B on the other. My comment, 'Oh cute, front and back' Kim laughs and says, 'That's for Face and Butt'. She definitely had a positive & happy influence on all the many lives she touched. My deepest sympathy to the family and friends, you will be missed.*

“ I think I’m still in shock, having only just heard of Kim’s passing. It’s been years since I was last in Texas, but I’ve known Kim for a very long time. She truly was a bright light- that beautiful big grin and her bright tousle of hair. It would have been easy to be in awe of her physical beauty but she was as beautiful inside as out - not a vain bone in her body. She always made you feel like you were her dearest friend- from the first moment you met her. Its hard to express my disbelief at the news and I am filled with such incredible sadness at the news of her passing. My very sincere condolences to her family.

Not only beautiful but sweet, genuine, funny and always being a great friend. You welcomed me to town and made my move a lot less stressful. Loved being a cheerleader with you!!! You were the light of ANY room. Sweet Kim you will be dearly missed. May you rest in peace and many thoughts to all the family and many, many friends that will miss you forever.

“ *I am truly in shock and disbelief that I am writing to you my dear friend , on a funeral page . You have been one of my dearest and closest friends for 40 years , and I am truly grateful that I got to see you so many times in the last couple months !!! You are truly one of my most favorite people and earth and I will forever miss you..... I know you wouldn't want your friends grieving for to long ... but, this will take months to process. I will pray everyday that this gets just a little easier for your husband and children . I will always remember the fun times we have had over these many years and will NEVER forget you !!
