“ Kristen was the light of the party growing up, she was always so sweet kind and smart but most of all athletic. She graduated with my sister Angeleena DeGaro. I remember growing up I always looked up to Kristen and her passion and love for sports and how good of a volley ball player she was. Sad to see her gone so soon but she will never be forgotten. Fly high beautiful girl. Prayers from the DeGaro family to Kristens wife and family she leaves behind.

“ It is not easy to find the right words to say. I still have a hard time thinking it is true. You messaged me not even a week ago... Kristen, you were always so happy & friendly to everyone! You were silly (but also had a serious side), caring, & sincere. Your love for Erin was so apparent & you were her light in the world! You were part of our family for so long, but not nearly long enough! You will be missed so much! We love you!

“ Kristen, you made such an impact on my family and i. Working with you was such a joy. You always had such a happy spirit and a smile on your face. You had such a kind heart and were a beautiful soul. You will always have a special place in my familys heart. All of us at work, and especially my dad, will miss you so much, as you shared a common passion for ranching and the outdoors. Our ranch will hold your memories forever, as you made it what it has turned into today. Your magic touch and artistic ideas transformed this place and we will always remember that. There will always be a piece of you at the ranch. May your soul Rest In Peace sweet girl. You will be dearly missed

“ Rest in peace sweet Kristen. It saddens me deeply that a light that shone so bright was dimmed far too soon. I worked with Kristen in the automotive event marketing industry for 5+ years. We spent many a week with Traci Leigh, Cortny, Jessica, Carly and the crew in many events, in many cities from Texas to Kansas, to NY, Las Vegas and beyond. She was a good woman, with a smile as big as Texas and a bigger heart. She loved children and was a star when we had kids in our booths at events. I still have a picture on my mantle of us all with a monkey at some event somewhere and one of Kristen with a little cowboy at PBR. They're two of my favorite memories of that time. She was always the one that kept us all laughing after a grueling event, some on the brink of a month long, 7 days a week and 14 hour days. She worked hard, we played hard, and though I don't believe I ever met Erin, I know she loved hard and loved her. Rest easy now sweet girl, your work here is over, but that light won't ever fade. You can't erase a memory. I'll cherish mine till we meet again.

“ Kristen and I always had great conversations either via messenger or when I was at the ranch. She definitely knew how to have a great time, and she always made everyone feel welcome and special. Erin, I'm so glad you two found each other. I love you both. My door is always open if you just need a change of scenery and need to get away for a weekend. Love you. Praying for you and her family.

“ Kristen, you were always a beaken of great beauty and joy. Your smile could brighten up a room and you always had a strong spirit in my eyes. There are no words that will express how much you will be missed. With remembering the trip to Colorado, duck hunting, and hanging out the the B&L Ranch, I will miss those futures activities with you. You will always be rememberd as one of the most positive people I have ever met and you will be in my prayers. May you rest in peace and I hope one day I will see you again. Love from the Sheppards.

“ Kristen was an amazing young women whom I had the pleasure of coaching and teaching in her years at Eustace High School. She was so sweet to everyone, always had a smile on her face and willing to help anyone that needed help. She was also an exceptional athlete who worked hard, constantly, to improve. Her glowing smile will be greatly missed. My thoughts and prayers are with her wife Erin, sister Traci and the rest of her family.
