“ When Kurt married my sister, he knew he was in for a real adventure. Kurt was so quiet and soft spoken and then there was our family! We all fell in love with Kurt immediately. He was my brother and in law but also my brother and my friend . I miss him so much and life without him will never be the same.
I lived with sherryl and Kurt these last 7 months and I feel so honored and blessed that I was fortunate to have that daily time with him. Poor man having to put up with two strong headed woman whose sole purpose was to attend to all of Kurt's needs. He was a comic but didn't know it and the three of us would giggle daily for no reason. What great memories that I will treasure forever.
Those of us left behind to live life without him feel the pain and heartache but I know Kurt is in gods hands, he's young and healthy, is with our families who helped him find his way to gods grace and im sure he's surfing every morning like he use to..
Kurt I love and miss you so much.

*Dear Sherryl and Family, I was so sorry to hear of Kurt's Passing. He was a great and kind person and I will miss him greatly. I hope your memories will last and the pain of his passing will grow less painful to you. I was on the Swim team with Kurt and Jack and They taught me much about how to treat other people and how to live life. Sherryl you probably don't remember me but I met you when you lived in Oceanside. I met your three sons as well. Kurt was so happy he had a relationship with you and he had a loving family as well. Kurt and I learned to Surf together as well as a large part of the swim team. I wish you my condolences and continued happiness with your family
