“ Dear T.J. and Dani.....It is always so difficult to express the sorrow that is felt at the loss of someone so dear. We have fond memories of LaDan and in each of those memories that smile of his lights up his face. Thankfully death can not take that away and it will always be there each and ever time we think about him. LaDan was blessed in so many ways and knowing he had a loving wife and "daughter" there by his side had to be such a comfort to him. It is our prayer that the love of friends and family will surround you and fill your hearts with peace....and God will grant you the strength you need during this time of sorrow. Our deepest sympathy.

“ So sorry to hear of Ladan's passing. I knew him as a little boy. My Mother and his Grandma Grace were sisters. I was always close to his Dad, Conard. Will try to make it to the gravesite when I find out what time it is scheduled. Barbara McCraney Hopkins.
