“ I am going to miss my lifelong friend of 61 years. I already miss chatting with you on the phone. Although I am missing you I could not wish you back for I know you are in a much more peaceful place. You are pain free now. I know that you have fought the battles of your life with much dignity. In the last 14 months of your life you had your two wonderful Sisters right there with you every minute of everyday, another one of God Blessings that you were so deserving of. I know that I will join you one day in Heaven with our Lord and Savior. LaNette I will always love you and I will miss you until we meet again.
