“ Sometimes the Lord offers us an opportunity to see his love in the fabric of a family. This was the case for us this past week when we stopped near Red River, New Mexico. Our Lord gives us the assurance that as we are absent from the body we are present with him in the blink of an eye. We hold on to that truth and remember the blessings given us with Michael's presence in our lives. I know I would have loved this guy, because I saw the love in in his family on a roadside in the mountains of New Mexico. As a Vietnam Era veteran, I can say "Welcome Home, Michael" but more importantly...Our Lord and savior says Welcome Home Michael !We offer our deepest sympathies, love and prayers for Lana, Clifford,Karin and the Byrom family

“ Michael was a cousin that I didn't really get to know until about 10 years ago. I just loved him. He was so sweet, soft spoken, and pleasant to be around. I enjoyed his sense of humor and looked forward to seeing him. I am so sorry for your loss. He was a wonderful person.

“ Michael was one of the first people I met at UNT. He built my first office in Facilities. He invited me to eat lunch with all the "Seasoned" UNT employees and made me feel welcome. When Michael found out that I liked deer meat and my husband did not hunt, he would give me packages when it was time to clean out his freezer. When my son met Michael for the first time, he said: "Mom, I like him he's like a big Teddy Bear." I am honored to have met Michael and will miss him. I am sad that I did not get to see him when he stoped by UNT about 2 weeks ago. My condolences to his family and prayers for peace and joyful memories.
