“ Larry was one of the best people I've ever known. He has been my friend all my life. I babysat for him when I was a kid. I've never seen him without a smile on his face. He always treated me and my family with such respect, and my parents thought the world of him too. He is gonna be missed. I know he is dancing on the Golden Streets of Glory right now. He is walking with Jesus, and he will be waiting on all his loved ones when we hit those Golden Streets on our day. He loved his family so much, and Sherri, he loved you so much. Your two just glowed when you were together. He was just a sweet soul, and although we will miss him, we have to be happy for him too. It was his turn to go home He is not in pain, and he has checked in to his eternal life. He's not gone, and he will be right there to greet us when we step into our eternity. Heaven gained an Angel. So Larry D Dean, this is not goodbye, we will see you later!
