“ I worked with Laura at Denton ISD transportation, and let Laura tell it, I was her favorite dispatcher, we kept in touch after she stopped working there, she was the sweetest most loving person, we kept in touch through facebook and I could always count on her to always brighten my day with her kind and loving words and on occasions she would call up to transportation to see how I was doing. One thing I do know is she loved her grandchildren very much, she talked about them all the time, I'm going to miss her so much. My prayers go out to the family.

“ Getting out of the car to go into a Red Hots game and who pulls up, Laura. I will be forever grateful for spending that time with her so she could love on Vivi. Missed the whole first of the game and it was worth every second. I loved your mama so very much. Xoxo

“ I’m so sorry to hear about Laura. We both worked at Denton ISD. She was my monitor. We had a lot of good times together and sometimes tears. She was always there for me even when I was at my lowest time. Although neither one of us work there anymore, we still stayed in touch. She will definitely be missed!
