“ *My heart breaks for the entire family! There are no words to help with this kind of grief. My prayer is for God to wrap his arms around you and help you through this sad and difficult time. My thoughts and prayers will continue. With love, Sharon Pierce*

“ *Y'all are definitely in my prayers. Lendsey was always full of surprises at work. He could be a pill and get mad(like a big brother), when I told him to shape up!, or an old softy, like when I was really worried about a family member and he prayed for me and her right there in the TSC tire isle. He laughed when he saw my shocked look!*

He talked often about his love for his family and how he would never make it without them. Hang on to the good memories and if there were unpleasant ones, lay them at the cross and let the Lord have them. I will continue to pray for y'all (and I mean that). And for Tuck too, I bet he's struggling.
