“ RIP. Memories are just flooding the mind. I was friends with Leslie in childhood years. Grade school and my best memories were playing softball in the teen years. Loved you then and love you now. You will be remembered and missed. 🧡

“ Lillian I was blessed to have a cousin like you. We shared secrets when it came to boys, time, laughter, and dreams for the future was the greatest of all because of the memories we made together. Since we were born and 1 yr apart we spend all the holidays together with our families. Thanksgiving watching your mom, guelita, my mom and dad preparing our turkey meals made it special. We kids spend it playing ball outside on the street and watching the Dallas Cowboys play was so exciting. Christmas was the best since we pretended to be asleep but could hear our parents having a good time getting Santa’s gifts together. Last but not least Easter camping at Rivera Layola Beach Easter egg hunting, swimming and breaking eggshells on our heads was so much fun. We did all this for 17 yrs. Until we left home. I love you and will always cherish the time we had together until we meet again. Rest in peace my cuz and may the perpetual light shine upon your soul.

Lillian,  
We had the best of times bowling, traveling, then bowling some more... going to some new places and some not new but favorite places. You were one of the most caring, kindest, and funniest people I know and I was so Blessed to call you my friend. I will miss you very much but rejoice knowing you are with our Lord and at peace. My deepest sympathy to all of your family. Love you Lill!
