“ I was sad to hear about Linda passing but she’s in a better place rejoicing with our Lord. I know I will see you again. Linda was the most wonderful person I ever meet. Always kind and if there was anything she could help you with, without hesitation she would help. She made an impact in a lot of young ladies in Templo Elim. I loved to hear her sing in her low tone voice. Will treasure all the memories. Love and hugs to the family. She is rejoicing in heaven.

“ I was blessed beyond measure to have had the best older sister the Lord gave me for 65 years. Linda brought out the best in me, and come to find out, the best in everyone she met. It was always Linda and Mimi, Linda and Mimi. My siblings and I never worried or fretted if for some reason mom and dad had to go be with our grandma. If Linda was with us, we were alright. Linda always encouraged and nourished us to be the best we could in whatever it was we wanted in life. Linda's love for the Lord showed in everything she did. She would give endlessly her love, time and money to us, as well as everyone she knew. I just didn't know the magnitude of people she touched. I thank each of you with my whole heart for your time in writing kind words and stories about Linda left on FB and this guest book. I especially thank the Lord for quickening people's spirit to lift up her daughters, Anna, Sara and their kiddos in their prayers, as well as her siblings. Linda loved being a grandma and she was a devoted grandma. Linda would say don't let anything or anyone keep you from going to heaven. Heaven is for eternity, our lives here on earth is but a vapor. I love you dearly, Linda and thank God for you...till we meet again."Blessed are they that mourn: for they shall be comforted." Matthew 5:4

“ I remember sister Linda from Templo Elim in Corpus Christi, TX.. she was in charge of the Missionettes and was always so caring, kind, and had a beautiful soul. I'll never forget the service she put into making a difference in young girl's lives and what a beautiful person she was (is). She is surely a Queen in the kingdom of God.

“ Linda, I remember your kindness and love that you always gave me whenever and however long since we had seen each other. I remember Ana and Me waking you up to go to work and the way you call out Sarah's name, it bring a smile to my face thinking about that. I am just so very thankful to have been able to love such a Godly and most beautiful person in this world. Love you.

“ It did come as a shock when I was told Linda passed away. I went back to the 70s when she and Mimi lived off of Riverside Drive and our youth days at church. So much fun we had with Mimi and Linda. Youth church parties, car washes and learning at church. I can hear Linda laugh. She was always so happy. She was a great person in my life and always had a big smile. She and Mimi came rolling into El Buen Pastor in a little hatchback car. That little church changed after the sisters came rolling in.
