“ *I only new Linda for a few years, but in that short time she became a very special friend. She had a cackling laugh that tickled me, a sweet spirit that touched my heart, and a kindness that was beyond measure. My next batch of scones will be dedicated to you along with the clotted cream. You brought a very sweet delicacy into my life and you will always be remembered for all the love and friendship you shared. God's tender mercies and comfort to your family in this time of loss.
