“ *Linda was a special type of person that brought light into a world where there was darkness. I only knew Linda from afar but more so thru Dan and how much of a transformation she made in him and his life, that type of person is few and far between. She was always cordial and made you feel like you were friends of the family at all times. She will be missed. 2 Peter 3:11*

“ *Linda and I meet at Saginaw Junior High and spent a lot of time together, and we graduated in 1968 from Boswell High School. I was so glad that she got to come to our 50 year class reunion in 2018 - she and I got to visit on the phone for a long time prior to the reunion it was so good to catch up. I don't ever remember her getting mad at anyone and she always had that big old smile on her face, a good friend, and fun to be around. My thoughts and prayers are with her family.*

“ Linda was very special. She endured so much in her life, but you would never know it. She was one of the strongest women Ive ever known. She Had tremendous work ethic. She loved her family dearly. She always laughed and smiled at most everything. She called her sister, my wife Sandra, religiously every Sunday morning in the ten oclock hour just to check in and say hello. Those calls will be missed, she will be dearly missed. She holds a special place in our lives and memories. God Bless you Dan we love you and are praying God will comfort you during this time.
