“ *Lou was such a inspiration to see Sunday mornings, eventually when I would go alone he would pat the bench where he sat for me to sit with him, loved listening to his stories...Will miss this sweet man very much...*

“ *He was like family to us. I love him dearly and will miss the banter that we had between us that made us family and BFFS. It is comforting to know that you can breath now and that all of your pain is gone and ours is just beginning. We have lost a dear friend and Ronald has lost a great fishing partner. We will see you again some day* ❤️
