“ I worked with Marge at Sam's club for a long time, she was a very wise woman who always had time to listen to someone and give the best advice she could, and she always had the right answer, she had a wonderful sense of humor and found the good in everything and everyone. It was a blessing for me to have known Margie, she really was a very special lady.

“ I had the privilege of working with her at Sam's Club for several years, and during that time we became good friends. She was an absolute hoot — always bringing laughter, warmth, and kindness to those around her. She loved her family and her dogs deeply, and she was so proud of her boys and her grandson. Her pups never knew they were dogs — they were her babies, through and through. She was a true friend and will be missed more than words can say. I'm grateful to know that Bobo will be lovingly cared for. Sending my heartfelt prayers and sympathy to her family.

“ I worked with Margie at HR Block in Whitesboro she was so full of life and so friendly to the clients. Man can that woman cook!! She would bring meals to the office and her apricot fried pies were to die for. She was a great friend who will be deeply missed. She's pain free with her Lord and family who's been waiting for her. Oh what a blessed reunion she had enter paradise ❤️
