“ We are sorry Carrigan family for your loss of Marilyn. Many precious memories from the 1980's when we lived in Aubrey and Midway Baptist church carried us in prayer during difficult health issues. My favorite memory is her kindness to bring us delicious lasagna and cake. She was a blessing. Prayers for your comfort.

“ So many wonderful memories came to mind especially the past couple of days as so many said their goodbyes, see you on the other side. I was a young man not raised in church so much when I started attending Midway Baptist in the early '80's. It was a small church and everyone knew everyone. I soon found out there were a lot of family members. When I moved to Denton from Dallas after HS graduation I lived with my big brother until he married. Once he married I didn't have many friends yet and no family in the area so I went back to Dallas on the weekends a lot at first. Once I started attending Midway Wayne and Marilyn saw how much I needed a family and they took me in just like one of their own. The Carrigan family holds a very special place in my heart. I spend a lot of time at their house, had a lot of meals, tons of laughs. Marilyn was famous for her "pink stuff" at the "Dinner on the Grounds" or work days at church. I loved her fried spam and potatoes, broccoli and rice and fried chicken. She was a great cook and host, loved people and wanted to help them however she was able. Marilyn is loved oh so much and will be greatly missed! Until I see you again I will cherish and love the wonderful years of memories.

“ Wayne and Family, I am so sorry for your loss of a loving wife, mother, grandmother and friend. I have known the family for quite a while, beginning with using Wayne's Carpets way back when, and then always seeing her smiling face at Midway. Marilyn was so kind and thoughtful and she loved my mother deeply. I will always remember her for that most of all! I know how hard it is to lose your mother. She is certainly resting in the arms of her Lord and Savior and free of her pain. I am praying for all of you daily and am thankful to have known Marilyn!

“ Corey and Family, Garrett and I send our sympathies on the loss of your mother. We did not have the opportunity to meet her after moving here, but all the memories that have been shared with us tell us she was a very special woman who lived her life to help others and loved Jesus, her Savior, to the fullest. May these memories comfort you in the days ahead. She is with Jesus, singing praises.

“ *The Carrigan's were wonderful people to open up their home to the young people of Midway in the beginning days of the church. I remember countless Sunday nights at their home having a great time laughing, playing games, ordering pizza, eating chips and sandwiches. Marilyn and Wayne loved on us all. I felt loved and cared for in their home and at church. Trips to Mexico and summer camp will always hold a special place in my heart. I will always have these special memories to look back on and think of her fondly. I am happy to know that she is now pain free and in the arms of Jesus.*
