“ Mom, I miss you so very much, even more so with each passing day. I talk to you and write to you daily and I will continue to do so. May we be reunited soon. I love you so much

“ When I knew Marge at the bowling alley, she always had a cool vibe about her. She seemed like a very wise woman that was very grounded. I use to always like her little red bowling ball. She was fun to joke with when we were together. It amazed me that she could read a book at the bowling alley with all of the noise. Rest In Peace, Marge, until we meet again.

“ I'm going to miss her so much! I don't know who to call now to pull John by his ear to make him quit talking and leave the bowling alley! You have always had a special place in our hearts and with my family! Rest in peace until we meet again!

“ Bowled with Marge for several years. Beautiful inside and out. She was always a joy to be around. Marge used to tell Forrest she was going to beat him in bowling, and she did a few times. I loved discussing the mutual books and authors we liked. She is missed.
