

## Mr. Marvin Scott "Scotty" Jackson

February 19, 1954 - February 9, 2024

With heavy hearts, we bid farewell to a beloved husband, father, and friend, Marvin Scott Jackson. He passed away peacefully, Friday, February 9, 2024. He was born to John Marion and Rosa Evelyn (Jeffress) Jackson on February 19, 1954, in McKinney, TX.

Marvin leaves behind cherished memories and an enduring legacy. He was a man of many passions, finding solace and joy in the great outdoors. His love for hunting and fishing knew no bounds, as he roamed the wilderness with a keen eye and a steadfast spirit. The thrill of the chase and the tranquility of nature were his constant companions, shaping countless stories and adventures that will be forever treasured. Beyond the woods and waters, Scotty found immense joy in the warmth of family gatherings and game nights. His laughter filled the room as he engaged in friendly competition, creating moments of shared happiness and camaraderie that will be fondly remembered by all who knew him.

Marvin was preceded in death by his loving parents, John Marion and Rosa Evelyn Jackson and his brothers, Bobby Jean, and Billy Marion Jackson.

He leaves behind his devoted wife, Cary; children, John, Jason, Erica, and Jennifer, who were the center of his world; and many grandchildren, James, Jillian, Azure, Kymber, Justin, and Jakson, who he adored to the very end. His

love and guidance will continue to inspire them as they navigate life's journey without his physical presence.

Though he may have departed from this earthly realm, the memories of Scotty's adventurous spirit, loving heart, and infectious laughter will live on in the hearts of those who were fortunate enough to know him. May he find eternal peace in the wild he so dearly loved, forever roaming beneath starlit skies, and casting his line in tranquil waters. Rest in peace. You will be deeply missed and forever cherished.

*Our family is so sorry for your loss. Scotty was in between my sister Paula and I in school at Prosper. When we were very young our family's backyards touched. We loved the Jackson family. Prayers for you all.*

PS

“Scotty”, you were, my little cousin, and we played together quite a bit! Living across the street from each other, made that possible everyday. I got married, and I don’t think I have seen you since! I’m so happy for you, that, it sounds like, you lived with a wonderful, family of love!❤️

“ The time that me and dad spent at the deer lease together and playing dominoes at the kitchen table. You taught me a lot about life that I will never forget. I love you and will always miss you.

“ I had my father onboard the USS Nimitz for 2 weeks. Dad got to meet me in Hawaii and spent a few days there seeing all the sights Hawaii has. We departed Hawaii for my tiger cruise for 2 weeks. He got to see more of the ship than I did even though I was part of ships company. Those two weeks was the greatest and memories where made that will never be forgotten. I love you DAD you are with me always.
