“ I haven't seen Duane in almost 20 years in my younger years anytime I had trouble with my vehicles he was the best . He always took his time to teach what he loved no matter what time or day it was . I'm sure I wasn't the only one that believed in him and his passion. Thank you Duane I always remember you when my truck makes a noise or something isn't right. I remember what you shared with me.

“ *Rest in peace big brother, remember all the good times in our life. The old GMC astro with a Detroit in it, and the windshield wipers didn't work. To the gas station in Pilot Point and you doing mechanic work there. From Iowa to Texas and all the memories in between. You was the best mechanic I ever was around and could only wish to be half as good. We will meet again someday and drink some tea and talk about all the good times. As they say here in the Philippines Later big brother.*
