“ I have known a lot of people in my life, but only a handful that I would consider unique. Hankdog was unique. He was entertaining, exasperating, stubborn, generous to a fault and often all at the same time. The hundreds of hours I have spent with him in a golf cart over the last 25+ years debating Bird vs Johnson, Nicklaus vs Woods, or lamenting the next inevitable Cowboys collapse, were some of the best days of my life. I will miss our conversations. Hit em straight Mike, short par 4's and tap-ins from here out.
