“ Larry and Robert, we are the Yelverton's from Brandon, MS and longstanding members for First Presbyterian Church in Madison. Montyne and Gene were close friends and brother and sister in Christ. They were loving and kind and always ready to help. When their health failed, we would visit and received such blessing just by being in their mist. Always positive. Our thoughts and prayers go out to your family. May our Lord Jesus use her life and death, to bring Glory to HIS name. May you find comfort in His promises and in knowing she is with her Savior. It was a joy and privilege to know them. Friends in Christ,
