“ *Myrna was a jewel!*

Here are some things I remember about her (from Denton County Master Gardener Association).

-She was a member of the 1993 intern class and was subsequently selected as a DCMGA Honorary Life Member in 2009 — an honor reserved for only the best of the best!

-She was a very involved member who helped initiate several garden projects and volunteered tirelessly in a variety of capacities throughout her tenure as a Denton County Master Gardener.

I took the attached photo of Myrna in November 2019 on Texas Arbor Day, when she (and her 41-inch diameter Post Oak!) was recognized by the Town of Flower Mound’s Environmental Services Urban Forestry Program. I was serving as a Commissioner on the Town’s Environmental Conservation Commission at the time, and, yes, I voted in favor of honoring her and her tree!

When several of us showed up to preview and judge the tree, she drove up to meet us on her riding lawnmower in her housedress and slippers; what a gal!

In 2019, DCMGA’s 30th anniversary year, one of our members interviewed our “most veteran” veteran members (from 2000 and earlier); their wonderful stories were featured in The Root newsletter (February through July issues). Her interview can be found in the June 2019 issue: <https://dcmga.com/.../05/The-Root-June-2019-Newsletter.pdf>.

I join you in remembering her and giving thanks for her life!

What a lady and friend. The fun we had will never be forgotten . I will miss her ad the things she taught me from gardening to her knowledge of being an avid bird watcher .She excelled in all she undertook. She was as knowledgeable with her Audubon Group as with her Master Gardeners. Fly high dear friend. I think of you daily and cherish our many memories.

“ Being with Myrna felt like being loved. She cared BIG. She was generous with her time, her wisdom, her garden and her grace. She will ALWAYS be remembered. 'Til we meet again, Myrna

*Always,
Tiny cop ❤️*

“ As a fellow Master Gardener (Denton County), I so appreciated Myrna's plant wisdom and sharing of her plant seeds, cuttings, and pottings. She was so knowledgeable and a fun person to visit with. R.I.P., Myrna.

“ *Myrna was one of a kind. She knew so much about so many things. Whenever I was with her, I learned something new ... about nature, plants, birds and even shopping (LOL). I'm so sorry she's' gone. She was a good friend and will be much missed.*

I will always remember my escapes with Myrna with a HUGE smile on my face. She would take me on a tour of thrifts shops and garage sales in a 3 city area to find treasures for the garden. Myrna would gobble up containers and plants as if she didn't have hundreds at home already. Absolutely one of a kind, I will miss my dear friend greatly.
