“ Nancy is remembered with great pleasure. She always had a beautiful smile for everyone and a kind word. I thank God that I was allowed to be a part of Nancy's life. I remember many years ago she woke up one morning and decided to make a bunny. She did so by using tube socks. I bought one and gave one to our oldest grandson Andy. He loved it. His mother still has it and keeps it in memory of Andy. Thank you so much Nancy. We will see you in Heaven soon. Still love you.

“ Nancy made a difference in my entire family when she shot pictures of our family reunion in 2011, I hosted in Fort Worth. Her attention to details and eye for capturing special moments on film made it the most talked about reunion in our familys history. Ive missed spending time with her & DR for the last few years. I frequently just dropped by if I was in the neighborhood. They were always so gracious
