“ I remember all the times, being there for her and knowing that I'd have a friend in her for life. No matter what we had gone through. Who she was with I knew I was going to know her forever. She was my friend's sister who grew into one of the most important women in my whole life that I will always respect and truly miss. Natalie it was too soon and I'm sorry we couldn't talk. Now my last memory is you singing to me. I hope you're ok up there. Patrick
