“ *Nolan was my predecessor at the 807th Med Bde back in the G-4 Logistics Shop. I inherited a tremendous operation that allowed for my personal professional growth. For this I owe him much. He stopped by on occasion to see how things were going and to offer solicited advice. He was a tremendous individual and a consummate professional. Thanks, Chief.*

“ *Several years ago, Mr. and Mrs. Fox delivered Meals on Wheels to my mother, Frances Guthrie, west of town. Mr. Fox was so kind and loving, as was Mrs. Fox. May God Bless. I will always remember the kindness and consideration of Mr. and Mrs. Fox.*

“ We were lucky enough to have Nolan, Linda, Stacy and Greg as dear friends and neighbors growing up. We'll remember the strong and faithful man Nolan was and his kind, friendly heart. And the memories of Nolan piling us in his pickup & taking us to Liberty Baptist for VBS, GA's & RA's will last forever. Take comfort and strength from the wonderful family you have together. "The moment of absence here is the moment of presence there." Our hearts grieve and yet rejoice at the same time as we know he is safely home at last. He is finally seeing Jesus face-to-face, and one day we will join him; what a day that will be! Love y'all very much.

“ Upon entering the military, Nolan was one of the first individuals that I came into contact that would shape my own career. He was stern but fair. His character and ethics were of the highest caliber. His laughter was most recognizable. Nolan left an indelible mark on my life!

“ Nolan was the best of the best. The wide and varied technical background he brought to the 807th Medical Brigade was instrumental in the logistical successes of all of the Brigade's units. He inspired me to excel and do more than I would of otherwise. He was a dear friend that I will always remember. A great American and Solider that will be missed.

“ I am saddened by the fact I never had the privilege of meeting Mr. Fox personally. However, my time spent with his family speaks volumes to his legacy and love for family. While living in Texas, you made me part of the family, invited me to holiday dinners, fund raising events and just good ol' having fun. Thank you Mr. Fox!

“ Nolan was a honorable man. He raised his family with much love. They never doubted him. His no's were no, and yes was yes! But he had a heart of gold. He loved you Linda so much. He was a friend to many. But his greatest attribute was his love & commitment to serve our LORD. Nolan left a legacy. Love you all.

“ I was stationed with the 807th Med Bde from 1988 to 1993 as the Brigade Maintenance NCO with Nolan being my Boss. He was tough but fair. When I reported to him he told me he had 2 things to tell me. 1) Don't ever ask me for a day off, because I won't give you one. Then after a long pause (and after I picked my chin off the floor) he said "You tell me when you are taking off". and 2) don't ask me what to do, cause then I don't need you. He taught me a lot about logistics in areas I was not familiar, like Supply. I am sorry I won't be able to attend his memorial service do to the fact I live quite a distance up north. I certainly will keep Nolan in my prayers.

“ I was honored to have served with Nolan both as a soldier and military technician from 1976 until his retirement. Nolan was greatly respected and admired by everyone. He was known for his hard work ethic and expertise in logistics. He was always willing to help someone and he loved to laugh. Chief Fox was a mentor to many soldiers over his career and a Great American. I regret that I can not attend his memorial service because I will be am of the country.
