“ When I first met Pat I had my young twins with me. She spent a good deal of time entertaining and making them smile when she could have been mingling with family and friends. Her love of children was obvious and as I got to know her over the years, I got to know a loving soul who was a devoted follower of Christ. And anyone who has enjoyed her desserts knew they were legendary and made with love.

“ Aunt Pat loved it when Debbie and I would stop by for a visit as we were traveling up and down I-35. She would read books to our little children and she always make sure my daughters left with a Beanie Baby! We could always count on her to send birthday cards right on time as well. I am so thankful for her kindness and generosity. -
