“ My heart goes out to her sweet family ,she dearly loved. Dan Johnson and I got to work with her Tenn. Walker horse Gypsy. We worked her horse so that she got to have another ride at the age of 81. She had a smile on her face that went ear to ear. She was so happy , I will never forget her. She was so brave to try again but she did it. I was so proud of Pat and her horse Gypsy together. Love you Pat,Lady of great courage.

“ Dear Family and Friends, we are so sorry for your loss and heaven's gain. Patsy is a dear cousin with a loving heart and "twinkle" in her soul that we will all miss until we see her again. I can almost see her now as she "saddles up" to ride in the beauty of heaven. We love you Patsy forever and ever...AMEN! Bill & Sondra Martin 💕💕
