“ I loved Pat and I knew she loved me because she never failed to tell me every time she saw me. I am so glad I got to talk with her a good bit this year. So happy she got to make one more trip to church this past spring, and that we at Hilltop Church could share Gods word and old fashion singing with her via U Tube, she loved it. She always said she loved to hear me sing. It meant the world to me. Love you Pat!

“ Pat treated me so much like one of her own grandkids that I adopted her as my surrogate grandmother after loosing one of mine. She always had a smile on her face and a heart as big as Aubrey the way she took care of her family as well as strangers. Im so glad I got a hug from her the last time I saw her at church. She'll always have a special place in my heart.

“ I loved Pat so much! She was such an inspiration to me during my adult life. I got to visit her one day when it was cold and she had her electric fireplace going. I got to tell her how much she had meant to me during my life. We cried together and I promised her that I would never forget her. I am glad she is no longer in pain and has her heavenly body. Rest in peace my friend.
