“ *I cant imagine that the Paul Cargile I knew is no longer. I know it mustve been so so very hard for you to not be out there raising hell and being your ornery old self! I will never forget the good times! Hopefully you will be up there with your El Camino raising all kinds of chaos! I am so sorry James and family I know its been hard not only to keep him comfortable but to see him not be himself. God bless Paul and family! Praying for all of you to have peace and remember Cargile, (which is what he was introduced to me as and I knew him as), iand all of the heartfelt and good times! I know he will be missed by many people!*
