“*Paula was my supervisor when I came to Texas Woman’s University. She shared her work with me. She then became my friend and shared her family with me. As time went on, she became part of my family. I will miss our chats and making Mac and Cheese for her. May God comfort and protect her family and friends. — Keri Farrier and Family*

*Paula was a dear friend and a confidant. I consider myself fortunate that we have crossed path. She will be sadly missed and may she Rest In Peace. May God bless her family during this difficult time.
