“ To family, loved ones, and friends: I've known Peggy every since I can remember as a child. My mother (Goldie Krueger Duff) worked with her at the sewing factory and always spoke so highly of her. They had a lot of laughs together! Now they are laughing together once again. My heart goes out to her family at this time! "Trust in the Lord with all your heart and lean not unto your own understanding". Blessings Roy and Paula Duff

“ Peggy was a wonderful wife and mother to all of her children. She would always allow us friends to spend the night even though she had her hands full. She and Red were so close and had so much fun together. It's comforting to know that they are back together forever!
