“ *There are a ton of memories I could share. I've known you since you started the church in Bowie, TX. You were always kind, helpful and full of the Lord. You are now where we all strive our entire life to get. I know you are now singing with the choir in heaven. When you see mom, dad, and Jeremy, tell them I love and miss them, and will see them again. I love you Sister Witter, and will miss you tremendously. But I know you are rejoicing with the angels with that beautiful smile.*
