“ Kind, respectful, thoughtful, generous, empathetic, integrity, humorous, are attributes that come to mind when thinking about Rick. As a manager, he had tremendous experience and also the kind of respect and knowledge of what we drivers were challenged with in everyday operations. He always treated us with respect and was always willing to lend an ear but more importantly, allow us to make decisions in a moments notice when situations presented themselves. He could always be counted on to do the right thing. My heart often smiled when he would call me 'pal' or 'buddy' and he was always available to lend an ear. As a manager, his experience and expertise were exemplary and I took comfort in those qualities where my job was concerned. He never looked down on his driver's but supported them with a type of leadership that was exceptional. Rick often spoke lovingly of Toni, Stormy and Cody and it was clear that his family meant the world to him. He reached out to us a few times after we left Texas to check in. We could tell that his health was in the balance and he was not well. It broke our hearts but we felt a special bond and gratitude to hear from him. I wish in the end he wasn't so I'll but he fought like a trooper. Rick may freedom and peace be your guides as you venture on in the great beyond.

“ One of my fondest moments of Rick is his every morning phone call home to wish you all a good day and to tell you he Loved each of you. I recall several mornings when he would have tell Cody to be nice to his Sister, Mom, & Teacher. Rick always put his family first whether at home or at the office Rick had love and compassion for all of us. Rick you were a wonderful Man and I am Thankful that our paths crossed here on Earth. Go Rest High Mr. Rick and thank you for being Our Guardian Angel 🙏❤️

“ I worked with Rick for many years in transportation and could not have asked for a better friend or manager. Rick was kind and considerate. He believed in taking care of his people and he truly loved his family. The world's a sadder place without you but oh how Heaven rejoices!

“ Not only was Rick our supervisor but a person we could count on when in a bind, and needed that day off we knew he would help us and make all ends meet. A friend and coworker that always had a smile and a handshake with a thank you for getting the job done.

I started with Walmart in Plainview at the same time Rick started. We both transferred at the same time to other new locations. Later we met back up in Sanger. Rick was a good person. I respected him and he helped me out a lot. Will miss him. Prayers for Toni and the kids. Rest in peace Rick.
