“ Thoughts and prayers to Karen and Bobbys other family members. I only knew Bobby during our childhood but I recall him being friendly and always smiling. Find peace knowing Bobby is no longer in pain and is safely resting. He is now your Angel watching over you. May the family feel the grace of God during this most difficult time.

“ You will forever be missed Bubba. Our life was not something we planned but instead it was lead by God. Everytime I grab my fishing pole and head to the lake you will always be right there by my side. I Loved you all the way home and stayed by your side until your other foot left this world and both feet entered the gates of Heaven. Sis
