“ It was my pleasure and honor to know Bob. He served a mentor to me at work and in life. When we worked together we became close and spent many hours during and after work talking. We had lost touch in the mid 2000s and I was shocked and sadden to learn of his passing. He love his wife & family very much and spoke of them often when we were traveling together on business. There are so many things I wish I could say to him, especially to express my appreciation of his humor and kind nature. He made me better in many ways.

“ In honor of my best friend since 1959, it will be difficult to adjust to his absence. An honorable friend who, no matter how far down the rabbit hole I went, he was there with a flashlight, would put a hand on my shoulder and say, "c'mon, I'll walk home with you".

“ It was an honor and a joy to work for Bob. His wisdom, humor and compassion were often used tools in his role as a project manager and leader. I will miss his emails. My prayers go to Jan and his family to help them through this trying time.
