“ Friday Nights and Baseball games will never be the same without you. We won't have our buddy to talk about the players and how well they are playing or playing not the best. We always saw a smile on your face unless we started losing really bad! We know though you will be watching from above and yelling/cheering the kids on! You were always up to cook for everybody and loved having people around. The love and pride for Tucker and Harper always beamed from your eyes. You and Bev always their biggest fans but always pushing them to know they could do more and ready to help them succeed. You can't be replaced and were taken from the world and us too soon. We will miss you but will never be forgotten! Sending love and prayers to Tucker, Harper and all the family!
Until we meet again buddy!
