“ Robert you will always be missed and remembered. So sorry for your family's loss.I will always remember he was always there in front of Gordon's and was always willing to help someone for nothing in return. This world lost a true friend and gentlemen.

“ Robert you are a true Aubrey icon. My mother loved you so much and you were always doing odd jobs for her. She would bake you a cake or make candy for you as payment. You were always good to her. You will be missed because there will never be anyone like you ever again.

“ This old world will miss Robert, I know I will. He was always such a gentleman, opening doors, carrying groceries, helping with kids. He would always clean my side mirror on my car, help me into my car and make sure the door was locked so no one would "get me" before I could get home. Did you know he had a "3 barrel" shotgun? oh, Robert you will never be forgotten.
