“Daddy, I seem to be missing you more and more. I thought this was supposed to get easier with time. Well, not for this Daddy's Little Girl. I need you so bad right now. I'm so lost in life at the moment and I sure could use one of your 'Oh Angie' talks. I know your with me in spirit and I feel you watching over me. Guess thats just me being selfish. But now I know my baby boy, Cooper is with you and Bolton and Victoria. So I have the Best Angel's God has to offer. I love and miss you so much. Kisses On the Head Daddy.. Your Little Girl A

“Ronnie and I were very close. He was a part of my life from 18 to my late 40's. We played music together, worked together, ran around, got in trouble, and shared lots of memories. I moved out of state and lost touch. I was really surprised when I found out he had died. I loved Ronnie and I miss him very much. Sure wish I could have visited with him in my later years after I had grown up from my childhood ways.

“Daddy, I wanted to wish you Happy Valentine's. Your little girl is doing a little better, as I am sure you know. I still have my days, well many days. The ones I wish so hard that I could pick up the phone and just hear your voice or pick up the phone because your calling me. I'm trying to understand and except that God needed you more. I am happy that God seen you were tired and in pain and now you no longer have any of that you had been feeling for so long. I think of you all the time. Arby's, Sonic, a song I hear, your songs when I play them, your clothes I still wear, your voice mails, your things I have, all of your pictures. But, most Daddy when I'm sitting alone and think of all the Wonderful Memories we shared. I Love and Miss You so much and when God sees it's time for Us to be reunited, oh what a GLORIOUS DAY. Til then Daddy, keep playing your Beautiful Music for all the Angels to sing. Forever in my Heart and Memories. I look forward to that day. PS- Can you believe, I'm actually early.... Always and Much Love, Daddy's Little Girl

“Daddy, Missing you so much. Holidays just aren't the same without you. But you know I'm here with Granny doing what I can to help and take care of her. We have been having a blast. Trying to get her place clean and in order. Pete told me just to hire a maid. So thinking that's what I'm gonna do. I'm sleeping on your red sheets and I swear they still smell like you. Love and miss you. Kisses on the Head...
