“ Roy was always a great person to be around. One of the good guys at the racetrack. As a racing secretary, if you needed a horse to make a race go, Roy was always willing to help.

“ Roy was one of the good guys on the backside. He was straight up with you. He gave a couple of my jocks an opportunity to ride for him. I respected and liked Roy. When that is said about a man, then he led a successful life. Thanks for your friendship Roy.
