*Ruby and I worked together probably 20 years ago or more. I loved her sense of humor and of course listening to her country twang when she spoke. But she was good to work with and was a nice addition to our small office. She will be missed*

*Ruby was my 1st friend when I moved to Texas in 1978. She was my neighbor at East Wind Apartments. She was a wonderful woman that loved her family and life. She and Bob just scooped up me and my kiddos and loved us too. Many, many hours were spent talking and laughing about husbands and raising our kids. Later after we both moved to our own homes every Sunday dinner was spent together for years. I will never forget the kindness she showed us, the friendship she gave me, her beautiful smile, her sense of humor and that thick Texas accent! BTW just who the h@\$ is Cooter Brown anyways. He was often mentioned but I never met the old drunk! Ruby will always be remembered with the fondness of memories. She will be greatly missed....until we meet again.*

“ *Ruby was as close to a mother to me and grandma to my kids as my own, she always shared our love for the family and friends. Although I am not blood she didn't seem to care, her and Bob were so much to do many who needed them. I am glad they are in heaven together, but sure miss seeing them. We haven't seen everyone in years, but I know this is hard for them as it was so for me! Love everyone, keep giving each other hugs because she loved seeing everyone smile and loved her family so much. What a great example for all she was.*
