Ruth Stewart, 80, passed away , Friday October 4, 2024 in Pilot Point, TX. She was born Januray 7, 1944 in Soper, OK to Clint and Mary Lou (Ashford) Merida. Ruth was married to Danny Walker (deceased 1997) for 27 years.

Ruth retired from Otis Engineering in 1988 and then retired from Denison Glass and Mirror in 2015. Ruth enjoyed gardening and was an avid reader visiting the Aubrey Community Library while getting to know the staff there very well during her weekly visits. Ruth was so very proud to be called "Granda" by her cherished great grandsons Sawyer and Gage, and you could find them outside many afternoons riding the golf cart or kicking the soccer ball. Ruth led a full adventurous and happy life. She will be missed.

“ I knew Ruth (Granda) since I was 14 years old and meet Monty. I will always cherish all of our memories from watching me go up marry her son and having her 1st Grandson. A lot of time passed and lots of things changed in both our lives but she always had a special place in my heart . Thanks for all the wonderful years of friendship and advise as you watched me become a Memaw. The boys are really going to miss you as we all are. I will try to be the best parent and Memaw to our boys. Rip until we meet again .
