“ I just learned of Sandy's death and was going to call to wish her a happy birthday. The last time we talked we discussed her coming to Oklahoma City for a visit. I told her I would come and get her. I am so sad I did not know she was not doing well. I know she has had serious health issues but did not know she was on hospice. My love go to her two girls and family. Sandy was a very sweet lady and so kind. She was kind to my mother and I know Glenn loved her dearly. I was going to send flowers & learned from the funeral home the florist were not open. I do not even know where to send a card to her daughters. Glenda Talbot
