“ *Im glad to have got the chance to meet you shane and i will miss you more then you could ever imagine. Im very thankful that i got to talk to you that Monday and Tuesday before you passed and got to share one more smile and laughter of our friendship. I can still remember the moment when you told me that if you were to die i wouldn't miss you and i would sit there and argue back that i would and that it would kill me inside, guess what it did. I remember that i told you i would go to your funeral if anything ever happen to you and i am, i will be there. Watch over me, your friends and your family from up high bc your time to do it down here was completed. I know your in a better place and i hope you fly high my friend. I love you my friend. R.I.P shane. I wont forget you, ever.*
