“ For Jeff and All Diane's Family, Know that you are in our thoughts and prayers. We feel as though we know Diane's family even though we've never met. On Jeff & Diane's visit to our home she would tell many stories of her family and the strong bond and love between them. Her mama always shined above them all. She also spoke of her love for Jeff and how he was always there for her. May God be with each and every of you at this time and always. We loved Diane and will always keep her in our heart.
