“ *Tammie and I first met in 6th grade at Aubrey. We always ran into each other but recently she had stayed in touch more often than usual. I prayed quite down with her during the last month or two. She wasn't so afraid of dying as she was leaving her family behind and her dog Chloe. I will definitely miss her and her loving spirit.* ”

“ *Tammy Faye you will be missed by so many. You were a ray of sunshine and was the life of the party. I will cherish all the fun memories that we shared throughout the years from the clubs in Denton to cruising the strip and who could forget the fun at Cedar Creek Lake at Perry Wayne's. Though many of us are saddened by your passing we can all rejoice knowing you are in the loving arms of the Lord and family that has gone before you. I will miss you sweet friend and carry you in my heart. Rest on peace and I will see you on the other side when the good Lord calls me home. You keep the party going on Heaven ok. Love you.* ”
