“ So so sorry to hear this beyond unfortunate news. Tammy I will truly miss you, and your wonderfully pleasant personality. You were always positive and understanding. An overwhelming compassionate and prideful person that I had the blessing and benefit to work with over the years. Our conversations were so comforting, and definitely brought a light to my day. Knowing that I experienced this as a coworker only makes me more proud to know you. As it was most likely a fraction of what you probably imprinted on friends and family. Thoughts and prayers for your family across all realms of life. You will be beyond missed.
