“ *Tanner was my cousin on my father’s side (Tim.) I only have one memory of him from when I was 8 years old, and I only met him the one time. What I can remember was that all the siblings were kind but quiet. Life is difficult.  
Be at peace.

“ *My sweet Nephew. You were always so kind hearted and willing to help others. I will miss our conversations and fun game nights. I know Grami is hugging you tight now and I can almost hear her gently singing 🎵 “I love you a bushel and a peck a bushel and a peck and a hug around the neck.” 🎵*

“ I am still in shock. I just can't image how difficult this must be for everyone. I am sad that I did not have an opportunity to get to know Tanner. I will be at the memorial on Friday and look forward to meeting his friends. We can all draw comfort from the Bible knowing he is asleep in death and has the hope of the resurrection Jesus promised. “ Tanner was a very empathetic to others understanding their needs. He reached out to me in a happy time of his life and was very understanding about my mental health issues. He made me feel like, it's going to be ok. He will be missed.
