

Terri Elaine Reilly

August 11, 1958 - March 7, 2022

Terri Elaine Reilly, 63, of Aubrey, TX, passed away Monday, March 7, 2022 in Aubrey, TX. She was born August 11, 1958 in Odessa, TX to Ralph Doxsee and Velma Elaine (Payne) Howell.

Terri was a Senior Specialist in Health and Safety with her company Brown and Caldwell having recently been promoted. She also held a certification in Advanced Office Ergonomics Assessment. She considered Brown and Caldwell family and was a loyal and dedicated employee for 13 years.

She immensely enjoyed gardening of any kind, having a multitude of different plant varieties. She had an extremely "green thumb" and could make anything not just grow but thrive beautifully. She loved to be outdoors as much as possible, camping, hiking and or just sitting and relaxing while enjoying nature. She also loved to read and enjoyed computer gaming with her brother, nieces, nephews, and anyone else online that would play. She was very musically talented playing saxophone in band and playing the piano for hours on end in her younger years. Terri was full of personality, outgoing, fun-loving, and generous in heart and spirit. She believed in accepting people the way they are and always wanted everyone to feel included. Her smile was as big as her big, beautiful blue eyes and her laugh was hearty, merry and full of life. She loved to be a helping hand and spent several holidays serving meals to homeless individuals and others with no family.

Terri is survived by her parents, Ralph and Elaine; daughters, Kena C. Allen and husband Tommy of Idabel, OK and Elena Brown of Bixby, OK; grandchildren, Kaitlyn Foster and husband Stormy, Krysten Allen, Brooklyn Allen, and Grayson Meyers; great-grandchildren, Jasper Foster, Evrett Foster, and Leland Foster; brothers, Darrel Howell and Michael Howell; and sister, Misti Howell.

Visitation will be held 9:00AM-10:00AM, Saturday, March 12, 2022 at Slay Memorial Chapel in Aubrey, TX and the funeral service will begin at 10:00AM with Rev. Ben Pollock officiating. Interment will follow at Slay-Bloomfield-Jones Cemetery in Mountain Springs, TX. Online condolences may be shared at www.slaymemorialfuneralhome.com.

“ Terri was the most welcoming member of my BC onboarding team. Though I only chatted with her a few times, she was consistently cheerful and ready to make sure everyone she came in contact with at work had the tools they needed to be comfortable and set up for success. I hope those closer than I to Terri are taking care of themselves and know she was loved and appreciated by those who barely even knew her. Much love.

“ Terri was quick to help everyone in the office. She started up front and was in a perfect position to help. She also let me know when I owed her a specification of some other deliverable :) She always took initiative and advanced through other positions in administration and safety coordination, but always was willing to help others with a smile and a shared laugh. I am thankful to have worked with her and to know Terri. She is missed.

“ I told Terri often how I affectionally refer to her as my "work grandma". She was always checking in with me and telling me her stories of youth and her times in South Africa. She will be missed dearly and go knowing how huge of an impact she had on all of us.

“ Sending my deepest condolence to Terri's family, who she spoke of so fondly. I worked with her at Brown and Caldwell and she was not only a joy to work with, she was resourceful, highly responsive, highly competent, and one of the best team players you could ask for. Her good humor and patience are legendary at Brown and Caldwell. We already miss her very much.

I always looked for a reason to call Terri because any conversation with her was a fun time! We would laugh and then get to business. I've worked with her since she started at BC so long ago and I have too many wonderful memories to list. The one thing that stands out is how happy and joyful she always was - no matter what was happening. She had of way of making others feel good! I just loved her so much! She will 100% be missed at Brown and Caldwell. I send my sympathies to her family, she loved you very much and talked about you often. I miss you already, Terri!

I didn't get to see Terri often but when I did she was always so helpful, outgoing and welcoming. Her big smile and willingness to assist you in any way possible. She was very inspiring. God bless her and her family. She will be missed indeed.

Terri was a person I always looked forward to interacting. She was jolly, kind, compassionate, thoughtful and thorough. She would ask questions to make sure that what you were requesting was what you really wanted or was there a better way. I enjoyed our many break room lunches together in which she would express her excitement over what grandchildren were doing and when she would see family next. I will remember Terri for her caring heart and our shared laughter. Praying for comfort for her family and friends.
