“ *Terry will always be in my heart along with the Rice family. The Rices never abandon or give up on each other always family first which is a wonderful life to lead. I met Terry through his sister Juanita through a mutual friend Blue in the boonies back then modern Frisco these days. Hell of a dancer and we did that alot. Never a stranger to a cold beer (nor am I). Driving up and down the roads of Pilot Point, Aubrey and beyond. Great memories. Gone are those days - Juanita, Blue, Rosemary and now Terry. Time we can never recreate. Not a man to brag but rather playing down his intelligence, street smarts, crafting skills and strength. RIP dear man.*

“ *When Terry first started school he hated it. It was my job to get him to school on time each day. But he had other ideas. He hid my school shoes in the fridge one day and I found them two hours after school started.*
